

GENERAL CLUB INFORMATION

The Allegheny South Volleyball Club is a non-profit organization that is part of the Ohio Valley Region of USA Volleyball. USA Volleyball is the governing body for Junior Olympics. You can find more information about the Ohio Valley Region by logging onto www.ovr.org.

Junior Olympics are designed to provide girls and boys with the opportunity to play volleyball outside the regular high school season. There are two different levels of play, Club and Open, in each of the seven age groups.

This will be the second year that the club is in operation. The club was created to provide athletes in the local area with the opportunity to learn and enhance their volleyball skills. We aim to provide quality instruction and high levels of play in an affordable package.

The club participates in tournaments throughout the region. Tournament locations have included:

- Slippery Rock University
- Butler Community College
- Monroeville Sports Complex
- California University

All tournaments will take place within a two hour driving radius. No tournaments will require an overnight stay. The tournaments will take place on either a Saturday or a Sunday. There will be one to two tournaments scheduled each month starting in March and running through May.

The two exceptions apply only to the 18 and under team. They will be traveling to the Ohio Valley Regionals in Columbus and Eastern Championships at Penn State University.
