## Sporting Events “TO GO” Box Lunches

### (Procedures)

1. A **team schedule** needs to be presented to Food Service Director or Assistant prior to the start of the season.
2. All away games that require a meal should be **highlighted**.
3. A “set” number of lunches should be determined at the start of the season. This set number will be used for every game- increases only.
4. There should be one (1) spokesperson (parent) per team that works with HS Kitchen Leader: Aimee Dernosek
5. Parent Volunteer or Players at the High School Level should be chosen and is responsible to “return” coolers after the game directly to the HS loading dock.
6. Coolers will be packed with ice and filled with food/beverage items so that food can be served at safe temperatures. These coolers will be packed and ready for pick up by team representative (designated by the coach) prior to the departure of the busses.  
The cooler will be returned to the dock area (emptied & clean of trash) after returning from the game by the same team representative. Note: If we do not get the coolers returned we will not be able to provide food for the next game. We will be responsible for cleaning and sanitizing the coolers.
7. Cancellations: We will charge \$15.00 cancellation fee if the game is cancelled.  
Our kitchen staff prepares these “TO GO” box lunches prior to 11:00am. The earliest our games are cancelled are 1:00pm; therefore, because the sandwiches have been made prior to cancellation, a cancellation fee will be applied if the game is cancelled.
8. All banquet invoices will be sent to the spokesperson’s designated address.  
All payments should be promptly made payable to: South Fayette Cafeteria  
Submit to: South Fayette High School  
3640 Old Oakdale Road  
McDonald, PA 15057
