### **FOR IMMEDIATE RELEASE:**

## **“Alana George signs National Letter of Intent”**

*South Fayette Township, PA* – South Fayette Senior, Alana George has signed a National Letter of Intent to play basketball at Fairmont State University in Fairmont, West Virginia. Alana was recruited by Fairmont Coach McDonald after a referee, in 2007-08, saw her play and asked her to forward information to be shared with the Coach. Alana first visited the university in August, 2008 and loved the campus, the dorms and the facilities. She later had the opportunity to meet the team which solidified her decision to attend Fairmont State.

When asked about this accomplishment, Alana humbly replied that “I owe this to my teammates for without them, I would have no success. And very importantly, I greatly appreciate my coaches for helping me get to this level and my parents for always supporting me.” Superintendent Dr. Linda Hippert praised Alana for her outstanding commitment both on and off the court and for demonstrating an excellent work ethic and positive attitude.

Alaina is the daughter of Mr. and Mrs. Alex George who reside on Pinewood Drive in South Fayette.
