### **Community Survey: South Fayette Wants Your Opinion**

*South Fayette Township, PA* – South Fayette School District has created a brief survey to help identify how we can better serve our community. The survey asks South Fayette residents to give the District their thoughts on programs, staff and the quality of education in the District. Residents can log on to [www.southfayette.org](http://www.southfayette.org) to take the survey online or they can pick up a copy in any of the District buildings or the Township building. The deadline for the completion of the survey is May 27, 2005.

The survey contains specific questions about our Athletic facilities and programs thus the survey will also be utilized by the newly formed athletic strategic planning committee. The committee welcomes all thoughts and comments from the community. Overall, the responses will help us to create better programs and continue to improve the high quality education South Fayette offers.
