## 2004–05

Commonwealth of Pennsylvania

District **SOUTH FAYETTE TOWNSHIP SD**

## This District's Report Card

Report cards are an important source of information about school performance and accountability. They allow schools to compare data in a consistent way and highlight opportunities for improvement.

This report card will show not only the achievement of students overall, but also the progress that disaggregated groups are making in closing achievement gaps. Report card data help Pennsylvania school districts and the Pennsylvania Department of Education focus on specific groups of students who are currently not meeting academic standards.

The report card is designed to ensure that the public is fully informed about school performance, and to promote broader participation and better decision-making by providing a shared source of performance data. This federal initiative is based on the idea that a well-informed public plays an important part in school improvement.

### Note about using Report Card Data

Report cards should be used to share information. Adequate Yearly Progress (AYP) is not measured by the strength of this report card. The data on this report card may not match AYP data published for the district.

<sup>1</sup> There can be overlap among the groups since a student may belong to more than one of these groups.

<sup>2</sup> Data for the Multiracial group are unavailable because the information was not collected for 2004–05.

## Professional Qualifications of Teachers

No Child Left Behind requires that all public school teachers in core academic subjects be Highly Qualified. Teachers are generally required to be fully certified and to demonstrate their knowledge.

In Pennsylvania, a Highly Qualified teacher is one who: (1) holds full certification, (2) has at least a bachelor's degree, (3) has completed a content area major, (4) has passed a content area test, and (5) has completed teacher education coursework.

	Number	Percentage
Highly Qualified Teachers <sup>1</sup>	122	99%
High Poverty	0	0%
Low Poverty	122	99%
Teachers with Emergency Certification <sup>2</sup>	1	1%
High Poverty	0	0%
Low Poverty	0	0%

Pennsylvania currently reports that 96.99% of its teachers are Highly Qualified, which puts the state well on the way to meeting federal standards. Under No Child Left Behind, every elementary classroom teacher and secondary teacher of core subjects must be Highly Qualified by the end of the 2005–06 school year.

**NOTES:**

<sup>1</sup> Includes classroom teachers only.

<sup>2</sup> Includes all professionals, not just classroom teachers.
