

Artifact Kit

Your Job:

Create an Artifact Kit for your book and present it to the class.

How it works:

Fill a large brown bag with at least 4 real items that are related to your story. For each item, you will include a note card stating why that item is important to the story. On the bag, please include the author and title of the book.

Creating your Kit:

You will need the following:

- ◆ Large bag, labeled with author/title
- ◆ At least 4 note cards with sentences explaining why the item is important to the story
- ◆ At least 4 real items (please do not include anything of value)

The Presentation:

This project includes a brief presentation, during which you will show the class the items and tell why each is important to the story.
