Mission Statement

The mission of the South Fayette Township School District, in partnership with the community, is to cultivate academic, artistic, and athletic excellence of the whole child by fostering the skills to be confident, ethical, empathetic, and responsible global citizens.

Middle School is an exciting time for growth and learning, and we look forward to having you as a valued member of this learning community. This handbook will help you to become familiar with processes, procedures, guidelines, and policies related to general school information, attendance, academics, and conduct for the middle school.

The South Fayette Township School District is committed to the values of “Tradition, Pride, & Excellence”. Hard work, a positive attitude, and showing each other dignity and respect are essential to meeting these high expectations. Additionally, South Fayette Middle School believes that every child matters and that each child should be able to express his/her individualism in ways that are acknowledged, celebrated, and included.

It is our goal, as your principals, to offer the most productive middle-level educational experience for all children, in which each child is a special member of their school community. We also highly value the partnerships that are built between school, home, and community, and we look forward to working with members of these groups in order to celebrate the accomplishments of all of our students.

COVID-19 STATEMENT

Please be advised that all information found within this handbook is subject to change based on circumstances relative to the COVID-19 pandemic. Please consult the District's Health & Safety Plan, which is located on the District website, for further details.

Parents must screen their children every day at home prior to sending their children to school, using the questions below. If any answer to the questions below is “YES”, the student should be kept home and the parent should consult their healthcare provider.

1. Has your child experienced a fever of 100 degrees F or greater in the past 72 hours?
2. Does your child currently have a cough?
3. Does your child currently have a sore throat or runny nose?
4. Is your child currently suffering from shortness of breath?
5. Is your child currently experiencing a new loss of taste or smell?
6. Is your child currently experiencing vomiting or diarrhea?
7. Is your child currently experiencing any body aches, headaches, or fatigue or generally feeling unwell?
8. Within the past 14 days, has your child or family had close contact with someone who is currently sick with suspected or confirmed COVID-19?

The school nurse will assess any student with these complaints during the school day. The nurses will notify the parents of these students to discuss these symptoms. There is a very high probability that children with any of these symptoms will be sent home, even the seemingly minor ones. Parents of children sent home with any of these symptoms should consult their child's medical provider for further instructions. Children sent home or kept home with symptoms similar to COVID-19 may not return to school until their parent provides a return to school note, written by the medical provider. The note may be a written note by the physician, that the parent consulted with the pediatrician's office, even if the student was not seen by the provider. If the parent does not submit the written MD note for return to school, the child must be kept home per CDC guidelines or Allegheny Health Department recommendations, in regards to symptom resolution requirements.

Children presenting to the health office with these symptoms may be asked to wear a mask, if they are not already wearing a mask. They may be isolated in a designated area of the health office or other suitable location, with adult supervision, at the discretion of the building nurse.

Children with temperatures 100 or greater must stay home from school for a minimum of 72 hours, without any fever reducing medications, such as Tylenol or Motrin. Children should not be actively coughing in school, so no cough drops will be dispensed by school nurses, nor will

children be permitted to bring cough drops into the school buildings for 2020-21 school year.

COVID-19 is an evolving, complicated medical condition. The district nurses may need to adapt to changes and updates in medical information, as released by medical experts. The nurses will utilize the most current CDC guidelines and Allegheny Health Department recommendations.

COVID- Face Coverings

As part of the Pennsylvania Secretary of Health’s Face Covering Order issued July 1, 2020, and subsequent update issued August 17, 2020, the Pennsylvania Department of Health is requiring **students wear face covering at all times while in school**, even when six feet of social distancing can be achieved.

As part of the order, schools may allow students to remove face covering only when students are:

- Eating or drinking when spaced at least 6 feet apart; or
- When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task; or
- At least 6 feet apart during “face covering breaks” to last no longer than 10 minutes.

Children with Disabilities

Children two years and older are required to wear a face covering **unless they have a medical or mental health condition or disability, documented in accordance with Section 504 of the Rehabilitation Act or IDEA**, that precludes the wearing of a face covering in school. Accommodations for such students should be made in partnership with the student’s health care provider, school nurse, and IEP/504 team.

Guidelines

- Although the District recommends that all students and staff wear a form of a mask with a face shield, all students and staff must wear at least a face covering (mask, scarf, shield, etc.) at all times.
- All students and staff will be required to wear a face covering while entering and exiting school, during hallway transitions, and anytime traveling from one location to another.
- AM and PM mask breaks will be given at designated times in each school building.
- If 6 feet of physical distance can be maintained for outdoor activities (PE, recess), masks do not need to be worn.
- As it is a Pennsylvania DOH order, **wearing masks will be strictly enforced** through the respective Code of Conduct practices of each school building

STUDENT RIGHTS AND RESPONSIBILITIES

The South Fayette Township School District Board of Education will abide by the Regulations and Responsibilities as adopted by the State Board of Education.

I. Free Education and Attendance

- A. All persons residing in this Commonwealth between the ages of 6 and 21 years are entitled to a free and full education in the Commonwealth's public schools.
- B. Parents or guardians of all children between the ages of 6 and 18 are required by the compulsory attendance law to ensure that their children attend an approved educational institution, unless legally excused. Students who have not graduated may not be asked to leave school merely because they have reached 18 years of age if they are fulfilling their responsibilities as students. A student may not be excluded from the public schools or from extracurricular activities because:
 - 1. The student is married.
 - 2. The student is pregnant.
 - 3. The student has a disability as identified by Chapter 15 (relating to protected handicapped students).
 - 4. The student is an eligible student identified under Chapter 14 (relating to special education services and programs).

II. Student Responsibilities

- A. Student responsibilities include regular school attendance, conscientious effort in classroom work and homework, and conformance to school rules and regulations. Most of all, students are responsible to share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.
- B. No student has the right to interfere with the education of his fellow students. It is the responsibility of each student to respect the rights of teachers, administrators and all others who are involved in the educational process.
- C. Students should express their ideas and opinions in a respectful manner.
- D. It is the responsibility of the students to conform to the following:
 - 1. Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule is waived, altered or repealed in writing, it is in effect.
 - 2. Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.

3. Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school for all students enrolled therein.
5. Comply with Commonwealth and local laws.
6. Exercise proper care when using public facilities and equipment.
7. Attend school daily and be on time at all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to complete satisfactorily the courses of study prescribed by local school authorities.
10. Report accurately in student media.
11. Not use obscene language in student media or on school premises.

III. School Rules

- A. The governing board has the authority to make reasonable and necessary rules governing the conduct of students in school. The rulemaking power, however, is not unlimited; it must operate within statutory and constitutional restraints. A governing board has only those powers that are enumerated in the statutes of this Commonwealth, or that may reasonably be implied or necessary for the orderly operation of the school.
- B. Governing boards may not make rules that are arbitrary, capricious, discriminatory or outside their grant of authority from the General Assembly. A rule is generally considered reasonable if it uses a rational means of accomplishing some legitimate school purpose.
- C. Each governing board shall adopt a code of student conduct that shall include policies governing student discipline and a listing of students' rights and responsibilities as outlined in this chapter. This conduct code shall be published and distributed to students and parents or guardians. Copies of the code shall also be available in each school library.

IV. Discrimination

Consistent with the Pennsylvania Human Relations Act (43 P.S. 951-963), no student shall be denied access to a free and full public education, nor shall a student be subject to disciplinary action on account of race, sex, color, religion, sexual orientation, national origin or disability.

V. Corporal Punishment

- A. Corporal punishment is defined as physically punishing a student for an infraction of the discipline policy. Use of corporal punishment is prohibited.
- B. Teachers and school authorities may use force under the following circumstances:
 - 1. To quell a disturbance.
 - 2. To obtain possession of weapons or other dangerous objects.
 - 3. For the purpose of self-defense.
 - 4. For the protection of persons or property.

VI. Exclusions from school

- A. The governing board shall define and publish the types of offenses that would lead to exclusion from school. Exclusions affecting certain students with disabilities shall be governed by Section 14.143 (relating to disciplinary placements) and 34 CFR 300.519 – 300.529 (relating to discipline procedures).
- B. Exclusion from school may take the form of suspension or expulsion.
 - 1. Suspension is exclusion from school for a period of from 1 to 10 consecutive school days.
 - a. Suspensions may be given by the principal or person in charge of the public school.
 - b. A student may not be suspended until the student has been informed of the reasons for the suspension and given an opportunity to respond. Prior notice of the intended suspension need not be given when it is clear that the health, safety or welfare of the school community is threatened.
 - c. The parents or guardians and the superintendent of the district shall be notified immediately in writing when the student is suspended.
 - d. When the suspension exceeds 3 school days, the student and parent shall be given the opportunity for an informal hearing consistent with the

requirements set forth in Section 12.8(c) (relating to informal hearings).

- e. Suspensions may not be made to run consecutively beyond the 10 school day period.
 - f. Students shall have the responsibility to make up exams and work missed while being disciplined by suspension and shall be permitted to complete these assignments within guidelines established by the governing board.
2. Expulsion is exclusion from school by the governing board for a period exceeding 10 school days and may be permanent expulsion from the school rolls. All expulsions require a prior formal hearing under Section 12.8 (relating to hearings).
- C. During the period prior to the hearing and decision of the governing board in an expulsion case, the student shall be placed in his normal classes except as set forth in subsection (D).
- D. If it is determined after an informal hearing that a student's presence in his normal class would constitute a threat to the health, safety or welfare of others and it is not possible to hold a formal hearing within the period of a suspension, the student may be excluded from school for more than 10 days. A student may not be excluded from school for longer than 15 school days without a formal hearing unless mutually agreed upon by both parties. Any student so excluded shall be provided with alternative education which may include home study.
- E. Students who are under 18 years of age are still subject to the compulsory school attendance law even though expelled and they must be provided an education.
- 1. The initial responsibility for providing the required education rests with the student's parents or guardian, through placement in another school, tutorial or correspondence study, or another educational program approved by the district's superintendent.
 - 2. Within 30 days of action by the governing board the parents or guardians shall submit to the school district written evidence that the required education is being provided as described in paragraph (1) or that they are unable to do so. If the parents or guardians are unable to provide the required education, the school entity shall, within ten days of receipt of the notification, make provision for the student's education. A student with a disability must be provided educational services as required by the Individuals with Disabilities Education Act (20 U.S.C. Sections 1400 – 1482).
 - 3. If the approved educational program is not complied with, the school entity may

take action in accordance with 42 Pa.C.S. Chapter 63 (relating to the Juvenile Act) to ensure that the child will receive a proper education. See Section 12.1(b) (relating to free education and attendance).

VII. Exclusion from Classes - In-School Suspension

- A. No student may receive an in-school suspension unless the student has been informed of the reasons for the suspension and has been given an opportunity to respond before the suspension becomes effective.
- B. Communication to the parents or guardian shall follow the suspension action taken by the school.
- C. When the in-school suspension exceeds 10 consecutive school days, an informal hearing with the principal shall be offered to the student and the student's parent or guardian prior to the 11th school day in accordance with the procedures in 12.8 (relating to hearings).
- D. The student's school entity has the responsibility to make provision for the student's education during the period of the in-school suspension.

VIII. Hearings

- A. *General.* Education is a statutory right, and students shall be afforded due process if they are to be excluded from school. In a case involving a possible expulsion, the student is entitled to a formal hearing.
- B. *Formal hearing.* A formal hearing is required in all expulsion actions. This hearing may be held before the governing board or a duly authorized committee of the board, or a qualified hearing examiner appointed by the board. When a committee of the board or a hearing examiner conducts the hearing, a majority vote of the entire governing board is required to expel a student.

The following due process requirements shall be observed with regard to the formal hearing:

- a. Notification of the charges shall be sent to the student's parents or guardians by certified mail.
- b. At least three days' notice of the time and place of the hearing shall be given. A copy of the expulsion policy, notice that legal counsel may represent the student and hearing procedures shall be included with the hearing notice. A student may request the rescheduling of the hearing when the student demonstrates good cause for an extension.
- c. The hearing shall be held in private unless the student or parent requests a public hearing.

- d. The student may be represented by counsel, at the parents or guardians' expense, and to have his parent or guardian attend the hearing.
- e. The student has the right to be presented with the names of witnesses against the student, and copies of the statements and affidavits of those witnesses.
- f. The student has the right to request that any such witnesses appear in person and answer questions or be cross-examined.
- g. The student has the right to testify and present witnesses on his own behalf.
- h. A written or audio record shall be kept of the hearing. The student is entitled, at the student's expense, to a copy. A copy shall be provided at no cost to a student who is indigent.
- i. The proceeding must be held within 15 school days of the notification of charges, unless mutually agreed to by both parties. However, a hearing may be delayed for any of the following reasons, in which case the hearing shall be held with as soon as reasonably possible:
 - (a) Laboratory reports are needed from law enforcement agencies.
 - (b) Evaluations or other court or administrative proceedings are pending due to a student invoking his or her rights under the Individuals with Disabilities Education Act (20 U.S.C. Sections 1400 – 1482).
 - (c) In cases in juvenile or criminal court involving sexual assault or serious bodily injury, delay is necessary due to the condition or best interests of the victim.
- j. Notice of a right to appeal the results of the hearing shall be provided to the student with the expulsion decision.

C. *Informal hearings.* The purpose of the informal hearing is to enable the student to meet with the appropriate school official to explain the circumstances surrounding the event for which the student is being suspended or to show why the student should not be suspended.

- 1. The informal hearing is held to bring forth all relevant information regarding the event for which the student may be suspended and for students, their parents or guardians and school officials to discuss ways by which future offenses might be avoided.

2. The following due process requirements are to be observed in regard to the informal hearing:
 - a. Notification of the reasons for the suspension shall be given in writing to the parents or guardians and to the student.
 - b. Sufficient notice of the time and place of the informal hearing shall be given.
 - c. A student has the right to question any witnesses present at the hearing.
 - d. A student has the right to speak and produce witnesses on his own behalf.
 - e. The school entity shall offer to hold the informal hearing within the first five days of the suspension.

ATTENDANCE

ATTENDANCE

Regular attendance is vitally linked to success in school. When a student is absent from school it disrupts the continuity of the learning process. While we recognize that absence is sometimes unavoidable, we stress the importance of having students make up any work missed on a timely basis as directed by their classroom teachers.

All attendance related questions, requests and correspondence (e.g. request for early dismissals, submission of excuses, student pickup) should go directly to Mrs. Rebecca Bruce in the Student Center by email at msattendance@southfayette.org or please call at 412-221-4542, Ext. 258.

A student who arrives after 10:30 a.m. will be marked ½ day absent. A student who arrives after 12:25 p.m. will be marked absent for the full day. A student who leaves before 10:30 a.m. will be marked absent for the full day. A student who leaves before 12:25 p.m. will be marked absent for ½ day.

TEACHER RESPONSIBILITY

1. Keep accurate daily attendance records on each assigned student, categorizing absences as excused or unexcused. Note which excused absences are school sanctioned absences and which absences are suspensions.
2. Report to the designated persons as outlined in the attendance regulations the student's absence from class.
3. Provide make-up work for all students who have excused absences from class, including excuses for approved school activities and assure that there is no academic penalty if work is completed.

STUDENT RESPONSIBILITY

1. A student must not be absent from any class for twenty days or more to be eligible for academic credit.
2. All student absences are either excused or unexcused.
3. It is the responsibility of the student to request make-up work from the teacher and to submit the work according to pre-established school and classroom guidelines.

PARENT RESPONSIBILITY

1. The Commonwealth of Pennsylvania requires all children between the ages of 6 and 18 to attend school unless legally excused. Parents are responsible for their child's attendance at school. As part of their responsibility, parents are expected to provide the school with a written excuse for their child's absence on the day the student returns but no later than the third day.
2. The parent should contact the school if extenuating circumstances regarding a child's absence exists.

EXCUSED ABSENCES

1. Excused absences are prescribed by law in the Pennsylvania School Code. The following reasons will be considered an excused absence from school:
 - a. A student's illness or physical injury as verified by parent or physician
 - b. Death in the immediate family
 - c. Quarantine
 - d. Observance of a bona-fide religious holiday in accordance with the student's religious beliefs
 - e. Health care from a licensed practitioner when it is not practical or possible to receive such care outside of school hours (verification required from the health care provider)
 - f. Family educational trips and tours (approved in advance by completing the proper travel form obtained from the Student Center)
 - g. Urgent personal reasons that are approved by the school administration, as well as circumstances related to homelessness and foster care
 - h. Court appearance (verification required)
 - i. School sanctioned educational tours or trips
 - j. Suspension from school
2. If a student has been absent from school, the parent must provide the Student Center with a written excuse within three days of their return to school. The excuse may be provided in writing or via email at rkbruce@southfayette.org and must include the following:
 - The student's first and last name
 - Grade level
 - Date of absence
 - Reason for absence
 - Signature of parent or guardian
 - Phone number or email address where the parent may be contacted during the day

The administrative assistant will acknowledge receipt of the excuse in a return email.

3. Failure to provide an excuse within 5 days of the return to school will result in the excuse being considered an unexcused absence pending the receipt of a valid parental excuse.
4. Absences for which excuses are submitted that contain reasons for absence that are not included in the list above (a-j) will be deemed unexcused absences.
5. A student whose absence is excused will have the opportunity to make up work assigned during the period of his/her absence. If a student misses one day, they will have one day to make up work, if they miss two days, they will have two days to make up work, etc. It is primarily the responsibility of the student to arrange make up work missed during his/her absence.
6. Being absent from school for any reason the day before a previously announced exam or assignment due date does not excuse a student from taking the exam or completing and turning in the assignment on that due date.
7. If a student does not get an excuse on the first day after an absence, a reminder letter is sent via email to the parent or a written reminder is given to the student on that day. On the third day following an absence, students who have not brought excuses are called to the office and asked to phone their parents. Parents are able to email, fax, or bring the excuse to the middle school before 3:00 that day.

UNEXCUSED ABSENCES

1. Absences for shopping, hair appointments and reasons other than those listed are considered unexcused. Missing the bus, oversleeping and automobile failure are also examples of unexcused absences. Unexcused absences also include days missed because of parental neglect, illegal employment or a student being willfully truant (absent from school without the permission of a parent/guardian and school officials).
2. An unexcused absence for a student under the age of 18 is also an illegal absence. An illegal absence is any absence that does not fall under one of the previously listed “Excused Absences.”
3. Excuses must be submitted by the end of the third school day following a student’s return. Excuses will not be accepted after that time. If an excuse is not received, the absence will turn to an “unexcused” absence. Once an absence has been marked as unexcused, it cannot be changed to an excused absence.
4. School Attendance Notification Procedures:
 - At the occurrence of the **3rd** unexcused absence, a certified letter will be issued to the parent/guardian. At the High School level, student drivers will lose driving privileges.

- At the occurrence of the **4th** unexcused absence, a School Attendance Improvement Conference will be scheduled. Parents/Guardians will receive a certified letter and phone call regarding the scheduling of the School Attendance Improvement Conference.
- At the occurrence of the **6th** unexcused absence and following the School Attendance Improvement Conference, a referral will be made to a community-based Attendance Program or to CYF **AND** charges will be filed with the District Magistrate.
- At the occurrence of the **10th** total absence, a letter will be sent from the principal and a doctor's note (or other documentation of a legal absence) will be required for every subsequent absence. Without this documentation, all absences from this point forward are considered unexcused.
- At the occurrence of the **15th** total absence (unexcused and excused), the parent will be notified and a referral will be made to the District Magistrate
- At the occurrence of the **20th** total absence (unexcused and excused), an Attendance Hearing will be held to consider retention in the current grade.

In accordance with Pennsylvania School Code, any unexcused absences in excess of **ten** consecutive days will result in an automatic withdrawal from the school district.

5. STUDENTS MAY NOT RECEIVE CREDIT ABOVE 50% FOR WORK ASSIGNED ON THE DAY OF AN UNEXCUSED ABSENCE. This means that the teacher will record a "50" or less for any assignment, graded paper, quiz, test, homework, or any other work for which points/grades are assigned, and that score will be factored into the student's grade for that marking period. **EXCEPTION:** Unexcused absences that are a result of the failure to submit a proper excuse within the three (3) day period will not result in the loss of academic credit.

EARLY DISMISSALS

Early dismissals from school are considered absence from school and **will follow the same guidelines for classification of excused/unexcused.** Students are responsible for making up all work missed in a timely fashion while being dismissed from school for **excused** reasons.

Dismissals before 10:30 a.m. will be marked as a full day absent. Dismissals before 12:25 p.m. will be marked as ½ day absent. Any dismissal before the end of the last period is considered an early dismissal.

Students, especially those involved in extracurricular activities, are not to sign out of school and return before dismissal, except in cases of family emergency or medical/dental appointments.

If a student wishes to be dismissed early from school, he/she is **required** to submit to the attendance office a written statement, signed by a parent or guardian, that contains the following: **(Request forms may be obtained in the office.)**

- a. Student's name (first/last)
- b. Grade level
- c. Day and date for dismissal

- d. Reason for early dismissal; if medical appointment, name of doctor and time of appointment must be included
- e. Signature of parent or guardian
- f. Phone number where parent/guardian may be contacted during the day.
- g. **No student will be dismissed early unless signed out by the parent/guardian.**

Procedures for early dismissals:

1. Requests must be presented to the attendance secretary for approval.
2. Students will be called from their class for early dismissal.
3. All students leaving for early dismissals must be signed out at the time of dismissal by a parent/guardian or designated school official.
4. Students returning from an early dismissal are to report to the Student Center and sign in. If returning from a doctor's appointment, verification must be submitted at that time. A pass to class will be issued by the attendance secretary.
5. A student who becomes ill or injured during the school must report to the nurse. A parent will be contacted, and the pupil will be dismissed if necessary.
6. No student is permitted to leave the school building without the knowledge and permission of the appropriate school officials.

TARDY POLICY

Students are expected to be in class/homeroom by the posted start of the school day. If a student arrives after that time, they must report to the Student Center/Main Office. A written excuse from the parent/guardian or a doctor explaining the reason for the tardiness is required to be submitted. Reasons for excused tardies and protocols for submitting excuses are consistent with the attendance policies. Oversleeping, missing the bus, car trouble and like excuses are not considered acceptable reasons for tardiness and will be considered unexcused.

1. Students who are tardy to school will have three school days to present an excuse to the Student Center/Main Office.
 - a. At the Elementary and Intermediate School, students **must** be escorted by a parent and signed into school. This will constitute the parent excuse.
 - b. At the Middle and High School, students **may** be escorted in by a parent and signed into school. This will constitute the parent excuse. If the parent does not escort the student into school, a written excuse must be presented within three school days.
2. Failure to turn in a note within the allotted time frame will result in the tardiness being considered unexcused.

3. After the fourth unexcused tardy, the student will receive a written warning from the Student Center/Main Office.
4. After the fifth unexcused tardy, a certified letter will be sent home and a warning will be provided regarding referral to the Magistrate and loss of privileges.
5. Further unexcused tardies will result in additional consequences and loss of privileges and possible referral to the Magistrate.

Any student who is tardy (excused or unexcused) 10 days without proper medical documentation will be required to submit a doctor's note for subsequent excused tardies.

EXCESSIVE TARDIES

During the first nine weeks, a student is permitted to have a *maximum* of 10 tardies. During the second nine weeks, a student is permitted to have a cumulative *maximum* of 15 tardies. During the third nine weeks, a student is permitted to have a cumulative *maximum* of 20 tardies. During the fourth nine weeks, a student is permitted to have a cumulative *maximum* of 24 tardies. Exceeding the maximum limit in any nine weeks will result in charges being filed with the local district magistrate.

Parents will be notified throughout the year as students approach the maximum number of tardies throughout the school year.

ATTENDANCE REQUIREMENTS FOR PARTICIPATION

To participate in extracurricular activities, students must be present in school by no later than 10:30 a.m., and any early dismissal may not take place before 2:00 p.m. The student's tardy or early dismissal **must be excused** as per the guidelines indicated (see above).

EDUCATIONAL TOURS

Upon receipt of an approved Educational Trip Request form, pupils may be excused from school attendance during the school term at the expense of the parents/guardians. When such a tour or trip is so determined by the District Superintendent or his designee to serve an educational purpose and pupil participants therein are subject to direction and supervision by an adult acceptable to the District Superintendent/designee, and to the parents of the pupil concerned, the trip will be subject to the following conditions:

1. Educational tours or trips will be considered for approval if the District Superintendent or designee determines that such a tour or trip will be of educational significance to the student. In order for the District Superintendent or designee to make such a determination, the parent shall provide a written request for excusal which shall indicate the days to be missed, the destination of the tour or trip, and the reason why the tour or trip could not be taken on days when school is

not in session. THE TOUR/TRIP MAY NOT EXCEED TEN (10) DAYS.

2. **Unless some emergency arises, such requests shall be made at least two weeks prior to the date of the tour or trip.**
3. Unless some unusual family circumstances exist, **such tours or trips shall not be approved during the final two weeks of the school term.**
4. **Educational trip requests will not be approved during dates reserved for standardized testing (i.e. PSSA, etc.)** Please check the District calendar and website for these dates each year.
5. If more than one child in a family will be taking the tour or trip, the requests for the children shall be made to the principal of the school of each involved child so that their absences may be cleared with the appropriate principal.
6. All school work missed during the approved tour or trip shall be made up on the "initiative of the student and at the reasonable convenience of the teacher." Students may not be excused for more than 10 days per year for educational tours. Tours sponsored by the school district are to be included in the 10-day limitation.
7. School-sponsored trips which are one day or more in length are included in the 10-day trip/tour limitation. Students and their parents must exercise caution in arranging educational trips or in granting permission for student participation in school-sponsored trips or club-sponsored off-campus activities. The purpose of the limitation is to align

the policies of the South Fayette Middle School with the 10-day trip/tour limitation prescribed by the Pennsylvania State Department of Education. Students may find it necessary to choose which tours/trips they are able to attend.
8. Family trips or vacations which cause students to miss one day or more of absence from school will be considered parent excused unless an educational trip form is submitted in lieu of a parent excuse.

CLASS ATTENDANCE

1. Students are expected to attend all of their classes as they appear on their schedule.
2. **No student is permitted to be excused from a class unless the scheduled classroom teacher has received prior notice and given approval.** Students who fail to follow this procedure will be issued a class cut and will receive no credit for work for that period.
3. Students who are attending scheduled school activities must check with the classroom teacher prior to the activity in order to receive all assignments and work.
4. Procedures for excusal from activity time must follow the same above procedures. The

resource teacher must have a written request from a staff member prior to the student being granted permission to leave. Failure to do so will be considered a class cut. The activity teacher at his/her discretion may also issue passes to the writing lab, nurse or restroom.

20 DAYS OR MORE OF CLASS ABSENCE

South Fayette Middle School has established procedures for attendance which stress the strong relationship that exists between good school attendance and academic achievement. Learning experiences that occur in the classroom are meaningful and essential components of the instructional process. Student absences disrupt educational continuity and decrease direct teacher-student interaction, as well as impose limitations on opportunities for interaction and participation with other students. Therefore, for a student to receive credit for a course, he/she must meet both academic and attendance standards.

Listed below is the general procedure that will be used for contacting parents/guardians after the indicated number of days of school and/or class absence.

	<u>Procedure</u>	<u>Action Taken</u>
15 days of absence	The attendance secretary notifies the principal, school nurse and counselor via written documentation and sends certified letter home.	Parent/Guardian notified via certified letter and charges filed with District Magistrate.
20 days of absence	Attendance secretary notifies principal.	An attendance hearing will be held to consider retention in the current grade.

GRADE RESULTS RELATED TO ACADEMIC ACHIEVEMENT AND ATTENDANCE

1. If a student fails to meet the academic requirements of a course ("D" or better), the student's attendance record becomes irrelevant. The student will receive an "F" for academic failure and has no right of appeal before the Appeals Committee.
2. If in the opinion of the Attendance Appeals Committee, after a hearing, a student has not met the attendance requirements, the student will receive an "NC" signifying no credit for the course. A "0" quality point average will be assigned, and the grade will not be included in the determination of quality point average.

ATTENDANCE APPEALS COMMITTEE

1. The Appeals Committee will consist of the middle school principal or the principal's

designee, the school nurse and three to five additional members of the school staff.

2. Present at the Attendance Appeals Committee hearing could be the student, parent/guardian, and members of the Appeals Committee and any other person the principal believes necessary to ensure a fair hearing.

3. The Attendance Appeals Committee meeting for student hearings will take place during the last two weeks of each semester.

REVIEW PROCEDURE

To initiate the review procedure, the student must:

1. Currently be earning a passing grade in the course on the twentieth day of absence.
2. Follow the procedures required to file an appeal.

PROCEDURES TO FILE AN APPEAL

The purpose of an appeal hearing before the Attendance Appeals Committee is to grant the student the opportunity to show cause why the student should receive academic credit for course(s) in which the student has not met the attendance requirements. If a hearing is granted by the Attendance Appeals Committee, parents will be notified of the hearing date and time and notified to attend. The burden of proof falls upon the student and the parents.

1. After the twentieth absence, the student will receive an "NC" grade. A certified letter will be mailed to the parents by the principal and will include a Student Request for an Attendance Related Hearing form.
2. The student must complete the form for the Request for an Attendance Related Hearing and submit it to the office.
3. The attendance secretary will notify the student's teachers to forward an attendance report to the attendance secretary. This information will be reviewed by the attendance committee.
4. The Attendance Appeals Committee will meet and notify the student, parent and teacher as to whether the hearing is granted or denied, and if granted, the date, time and place for the hearing.
5. The Attendance Appeals Committee will formally notify the student, parent and teacher of the action taken by the committee

They are to avoid "fooling around" and stand back from the road at all times, waiting until the bus comes to a full stop before boarding.

While riding the bus, students are to remain seated at all times. All behavior that distracts the bus driver is prohibited, including but not limited to standing, pushing, fighting, yelling, smoking, use of

profane language, eating, drinking, littering, and the use of radios or other types of electronic equipment. Students who do not comply with bus rules will be reported to the office for discipline. Repeated misbehavior may result in the permanent loss of bus privileges for the student.

Bus transportation is provided for all students in the South Fayette Township School District. Bus stops are located as conveniently as possible for everyone. Students are urged to be at their bus stop 5 minutes prior to the scheduled departure time. Students are not permitted to ride another bus to school without prior permission from the office. **If a student misses the bus, parents/guardians are responsible for their transportation to school. Missing the bus is not an excused tardy or absence.**

Students must ride the bus to which they are assigned and be transported to their home. Permission will be granted on the availability of seats on the elementary or high school bus.

Each student is assigned to a particular bus stop and a specific bus. No change relating to the stop or the bus is to be made unless the following procedure is followed:

 - c. Day/Date
 - d. Reason for request
 - e. Details of change

COMMUNICATION WITH PARENTS

Because South Fayette Middle School recognizes that parents are the primary educators of their child, communication between parents and school is essential. To increase communication, a Parent Advisory Council has been organized. This body meets monthly in the middle school building, and the dates/times for these meetings can be located on the District calendar. During this meeting, an open-forum agenda allows for the exchange of questions and ideas between parents and the middle school principals.

When parents have a question or concern, we encourage you to call or email the individual teacher or the school office. Parents/Guardians will automatically receive electronic communications from the middle school at the email addresses (up to 2) that are registered with their child's PowerSchool account. Parents/Guardians are asked to visit the district website for directions concerning sign up.

When a student is absent from school, parents will receive an automated phone message. There will also be various other occasions when automated messages may be generated to provide parents with specific school-related information.

In the event of a serious or tragic event impacting the school or the South Fayette community, the South Fayette Township School District may enlist the assistance of outside counseling agencies and resources to help students and faculty cope with such events as they unfold. Outside counseling will be provided by professional counseling agencies that have experience in helping schools cope with tragic events.

The names of these agencies will also be made available to facilitate outside consultation for those who so desire.

All students who are not under the supervision of a faculty member must leave the building within ten (10) minutes after the final dismissal bell. Students remaining in the building without proper supervision will be disciplined according to the Code of Conduct. Students may not remain after school for a sporting event. They must go home and return at the time the event starts.

Parents are asked not to request an early dismissal after 2:15 unless it is absolutely necessary.

DRESS REGULATIONS

All students are expected to take pride in their appearance. Any form of dress and/or personal appearance that distracts or disrupts the educational environment or tends to diminish instructional effectiveness or the disciplinary control of the teacher is considered a safety concern will not be permitted.

Additionally, tops which expose midriffs, tube tops, tank tops with spaghetti straps (unless they are under a shirt or sweater), halter tops, excessively short shorts or skirts less than finger-tip length, headbands, sunglasses, slippers, pajamas or hats are not permitted. Any article displaying indecent writing, allusions to drugs, alcohol, tobacco, gangs, violent acts, indecent pictures or slogans are inappropriate and will not be considered acceptable dress. Pants that are excessively long pose a safety problem and may not be worn. Pants must be secured properly at waist and not expose boxers or underwear. Coats and outerwear are not permitted to be worn in the school building during regular school hours, 7:45 to dismissal. Outerwear includes such items as winter jackets, parkas, trench coats, windbreakers, and other items not typically worn inside a home or office. If extenuating circumstances should occur within the school with regards to temperatures, the principal or designee will make exceptions as appropriate. For health and safety reasons, footwear must be worn at all times.

If a student fails to comply with these guidelines, they will be directed to the office and parents will be called to bring appropriate clothing. If the clothing cannot be brought to school, we will provide students with clothing to wear that day. If this is a repeat offense, the matter will be treated as a Level II offense as per the Code of Conduct.

ELECTRONIC DEVICES

Unauthorized use of electronic and/or digital devices is prohibited by students upon arrival to school in the morning until dismissal at the end of the school day. School administrators may seize any evidence indicating a student is violating or has violated the law or school policy. If a student is in possession of any of these items, the item will be confiscated and turned in to the Student Center. Items will **only be returned directly to a parent/guardian.** Parents/guardians will be notified if an item is confiscated. They may pick the item up that day until 3:00 or any day at their earliest convenience during school hours. If this is a repeat offense, the matter will be treated as a Level II offense as per the Code of Conduct.

If a cell phone is needed during after school activities, students may keep it turned off inside a backpack in their locker. Ringing phones or phones in students' possession will be confiscated. Besides the possibility of theft and damage, this policy is designed to prevent distraction and disruption of the educational process. With the addition of camera phones, this policy also respects student privacy. Taking pictures or video of individuals for any reason without the permission of a faculty or staff member is expressly prohibited.

If you have a specific need to be in possession of any of the above named items, you must request and have a meeting with the principal to receive permission.

EMAIL (PARENTS)

We will maintain a communication link with parents who wish to receive such things as the daily announcements, etc., electronically through e-mail. We will be using a system to send mass emails from the middle school, as necessary, and these emails will be delivered to the primary account/s established in PowerSchool (up to two addresses).

EMERGENCY AND FIRE DRILLS

Monthly fire drills and other periodic emergency preparedness drills will be held throughout the year. Classroom teachers will issue specific instructions that must be followed exactly. No one in the building is excused from participating in a fire or emergency drill.

****It is important that parents have an emergency plan in place in the event of an unexpected emergency dismissal. Parents must update changes in phone numbers and e-mail addresses for emergency contact immediately and all students should be aware of family plans in the case of an emergency.**

FIELD TRIPS

Throughout the year field trips may be offered in individual classrooms or as a grade level activity. It must be understood that participation in a field trip is a privilege and not a right. **Students who have three or more Level III or IV disciplinary offenses during the school year may not be able to participate in field trips outside of the school district.** Students will also be denied the opportunity to participate in field trips if they have not fulfilled their obligation for Saturday detention as set forth in the Code of Conduct. These matters are at the discretion of the building principal. Additionally, students must understand that all school policies and procedures are in effect for all school related activities, including field trips. To participate in school field trips, the student must have written permission from the parent/guardian prior to the field trip.

Students who choose to refrain from such participation shall respect the rights and interests of classmates who do wish to participate. Students who wish to refrain from such participation shall remain respectfully silent through the flag salute and the Pledge of Allegiance. Students whose manners or actions are disruptive during the Pledge of Allegiance or the flag salute will be subject to appropriate disciplinary action as per the Code of Conduct.

Student Accounts

Parents/Guardians are required to keep a positive balance in their child's account at all times. We urge parents to visit the mySchoolBucks website at <https://www.myschoolbucks.com> to set up an account. (You will need your child's student ID number to do so.) The website enables parents to view their child's balance, purchasing history, and payment history. As an added convenience, parents can also make a credit card payment online via mySchoolBucks. There is a service fee for each online transaction made.

Payments to replenish student accounts may be made in the form of cash, check, or money order. Please enclose these payments in an envelope, and **always** record your child's first name, last name, and student ID# on the check, money order, and envelope. All checks should be made payable to South Fayette School Cafeteria. Payments can be sent to school with the student to be submitted at the register or can be mailed directly to:

South Fayette High School
3640 Old Oakdale Road
McDonald, PA 15057-2580
Attn: Food Services Director

Students are reminded daily of their account balances. When a student exceeds the balance in their account, food service personnel will contact the family via phone or email and follow up with written documentation. A phone call or courtesy email is sent home as a follow-up to these reminders. Families need to apply monies to the account promptly. If delinquent account balances become excessive, parents/guardians will be called for a meeting with school personnel.

Checks returned for non-sufficient funds to our cafeteria will be charged an additional \$30.00 fee. Parents/guardians will be notified of the charge, and the fee will be added to the student's account.

FAQs

Who do I call when I have a question about my child's cafeteria account?

Please contact the middle school kitchen leader at (412) 221-4542, extension 227.

Can I be notified about my child's account balance?

Parents are notified via phone or email when a student has exceeded their account balance. However, this method is not failsafe. As a proactive measure, we advise parents/guardians to visit the mySchoolBucks website and register for an account so that they can personally check their child's balance as often as they see fit.

How much does a lunch cost?

Lunch at the middle school costs \$2.30 for a complete meal with milk. Premium meals and a la carte items are also offered at additional costs. Breakfast can be purchased at the middle school for a price of \$1.30. Please visit the Food Services website for additional information.

What if I have money left over at the end of the school year?

Monies left at the end of the school year will be held in the student account to be used for the following school year. You may submit a request for a refund during the last week of school prior to summer vacation. Requests should be made directly to:

Director of Food Services
South Fayette High School
3640 Old Oakdale Road
McDonald, PA 15057

Monies can also be requested to be transferred to a sibling.

Note: All accounts must be paid in full each nine weeks (prior to report cards being released) and also must be paid in full before the last day of the school year.

How does lunch work?

Middle school students are considered “**offer vs. serve**,” meaning that they are offered all 5 components of the National School Lunch Program; however, they can decline 2 of the 5 choices and their food still qualifies as a meal. They must take 3 items to qualify as a meal. If they choose less than 3 items, these items will count as an a la carte selection and the student will be charged a la carte pricing. Students that qualify for free and reduced meals must take at least 3 items to qualify as a reimbursable meal.

For all other questions, please phone contact the Director of Food Services

The South Fayette School District lunch program is based on the guidelines set forth by the National School Lunch Program, the Department of Education and the US Department of Health to assure food safety and a nutritious well-balanced meal is offered each day for your child.

- Staff/Faculty/Parents may not offer parties (i.e. pizza) or snacks in place of the daily scheduled lunch that will interfere with the NSLP.
- All food/details/kitchen arrangements for camps such as band camp or football camp must be coordinated and pre-approved through the Supervisor of Food Services.
- Hoagies, donuts, candy, and snacks used as fundraisers may not be sold or distributed near the food court during lunch.

GUIDANCE

The purpose of guidance services is to help students in social, emotional, educational, vocational, and personal development. The counselors are in the guidance office in the middle school daily during school hours. Conferences with students receive first consideration of the counselors' time and are scheduled whenever necessary. The counselors will assist the student in areas such as recommending materials to improve study habits, helping students make curriculum selections as they move to the high school, and in offering aid in problems of adjustment such as listening to students and discussing problems. Parents are also encouraged to contact the guidance counselors when issues arise with their student.

HALL PASSES

Students are not to leave their assigned area for any reason without a DESIGNATED HALL PASS. Students who will be leaving a class and not returning must secure a "Special Pass" for that purpose. The following should be noted:

1. If a student desires to leave a class or a resource area for any reason to go to another destination (ex. make-up test, special help, guidance, etc.) the student must present a pass to the teacher at the beginning of the period. The teacher may or may not grant permission for that student to leave dependent upon the circumstances.
2. No student may leave a classroom without permission from the teacher.

Students who do not follow the procedures described above will be considered as cutting class and will receive no makeup privileges for any work missed. Appropriate disciplinary action will be taken as outlined in the Code of Conduct.

HOMEWORK AND LAPTOPS

Homework is necessary to reinforce a student's daily classwork. Parents are encouraged to assist their student in developing good study habits which include self-discipline and independence. Time should be budgeted for homework. Students can anticipate 60-120 minutes of homework daily depending upon their grade level.

Students in all middle level grades will be provided with a laptop, compliments of the school district. This device is to be used by the students daily to record both short and long term assignments. Each grade level team of teachers will review the use of the laptop with their students and communicate specific requirements for its use to parents.

The laptop is an important aide in the development of organizational skills. Many middle schoolers are not, by nature, organized. Therefore, it is incumbent upon both teachers and parents to guide students in the development of these lifelong skills. In some cases, middle school students may find it beneficial to purchase their own planner/paper agenda to assist with organizational skills.

HOMEWORK FOR ABSENT STUDENTS

1. Calls must be into the office between 7:30 and 8:15 a.m. for homework to be available at the end of that day.
2. For calls received after 8:15 a.m., homework **will not** be available until the next day.
3. Calls should not be placed for homework unless the student is absent **two or more days**.
4. When homework is gathered for a student and placed in the office, it is expected that it will be completed upon the student's return. **No time extension will be given.**

ILLNESS, ACCIDENTS, IMMUNIZATIONS AND NURSING SERVICES

All accidents or illness should be reported to the office or school nurse promptly. The appropriate care will be administered by school personnel. Parents will be notified as the case warrants.

The nurse's office is for emergency cases only. Only injuries or sudden illnesses occurring during the school day will be cared for in the nurse's office. Pupils must secure a note from their classroom teacher and then report to the nurse's office. If a student is ill at the close of a period, he/she should report to the next class to secure a pass to the nurse. The student will be permitted to stay in the health office for only one period. If the illness is prolonged, the student will be sent home after permission has been granted by a parent or guardian. No student may leave the building or go home because of illness unless excused by the doctor, nurse, or office.

The following mandated examinations are conducted by the school physician or school nurse unless prior documentation is submitted to the school nurse:

Physical	Grade 5 or 6
Vision, Height, Weight	Grades 6, 7, & 8
Hearing	Grade 7
Dental	Grade 6 or 7
Scoliosis	Grades 6 & 7

BMI (Body Mass Index) Student Screenings

Section 1402 of the Public School Code requires each child of school age to be measured for height and weight by the school nurse. This growth screening enables school nurses to:

1. Monitor growth and development patterns of students
2. Identify students who may be undernourished or overweight
3. Notify parents of screening results with a recommendation to share findings with the student's health care provider for further evaluation and intervention, if necessary

We will be using a computer program to record and monitor each student's growth pattern. A letter will be mailed home yearly with each child's BMI. The letter will indicate whether the child is underweight, normal, or overweight. Follow-up with the child's health care provider will be recommended when appropriate.

The District's acceptable use policies, procedures, rules, and guidelines as well as local, state, and federal statutes apply.

Digital Citizenship:

Students and parents should regularly discuss the responsibility associated with having a laptop, as

well as internet safety regularly with their student. Parents are encouraged to monitor for age-appropriate content as well as the proper care of the device. No markings, writings, drawings, or stickers may be put on the laptop surface. The District is teaching digital citizenship, starting in the Elementary School. District filters are in place while on campus and connected to the District network limiting access to materials that may be considered harmful to children.

When using the laptops, students are to only go to the websites assigned by their teacher. They are to treat the laptops gently so they do not damage the equipment. Parents and students are bound by the technology agreement presented upon issuance:

To ensure an optimal learning environment for all students, the following process will be used:

LATE START FOR SCHOOL DAY – MONTHLY

As part of the collective bargaining agreement with the school district, South Fayette teachers will come in early on designated Mondays for purposes of Staff Development that include learning new technology, training in curricular areas, and utilizing other tools that will enhance education for SF students. Please refer to the District Calendar in the back of the handbook for specific dates. The middle school day will begin two hours later, and class periods will be adjusted accordingly.

LOCKERS

Lockers are the property of the South Fayette School District and are provided to students for the storing of school related items and clothing. School lockers are not the property of the students, and lockers may be searched by school officials.

Students are assigned lockers. Students must use the lockers to which they are assigned and may not share lockers or use a locker not assigned to them. The custodial staff will periodically remove belongings found in unassigned lockers. Students are not permitted to affix stickers or other adhesive items to the lockers.

MEDICAL EXCUSES FOR PHYSICAL EDUCATION

All students are required by state law to participate in physical education classes unless they provide a medical excuse from their doctor for exemption. The following procedures should be followed:

1. The medical excuse (including dates and specific limitations) must be presented to the school nurse.
2. The original will be kept on file in the nurse's office and a copy will be forwarded to the physical education teacher.
3. If the exemption is for an extended period, the student will be rescheduled through the guidance office and given alternative assignments and/or an Adaptive Physical Education Program.

A medical excuse **DOES NOT** exempt a student from the requirements of physical education.

MEDICATION AT SCHOOL

Under no circumstances will school personnel diagnose, provide, or prescribe any medicine for a student. Medication shall include all pills, drugs, and medicines prescribed by a physician and any over-the-counter medicines. No herbal remedies will be given during the school day.

The South Fayette Township School District requests that medicine be given at home during non-school hours. However, it recognizes that sometimes it is essential for medication to be administered at school. Any medication to be administered during school hours must be accompanied

by a written request signed by **both** a physician and parent/guardian.

I. Prescription Medication

- A. A written request must be submitted by the parent/guardian requesting the school nurse administer medication as prescribed by a physician.
- B. Physician's signed request (note or medication form) authorizing the administration of the prescribed medication.
- C. Prescription medication must be in a pharmacy labeled bottle containing:
 - 1. Name and telephone of the pharmacy
 - 2. Pupil's name
 - 3. Name of the physician
 - 4. Name of the drug
 - 5. Prescribed dose and times of administration
 - 6. Rx number

II. Non-Prescription (over-the-counter) Medication

- A. A written request must be submitted by the parent/guardian requesting the school nurse administer over-the-counter medication as prescribed by the physician.
- B. A Physician's signed request (note or medication form) authorizing the administration of all over-the-counter medication.
- C. Over-the-Counter Medication must be in the *original manufacturer's package* and imprinted with the dosage instructions that are typically found on labeled bottles, blister packs, tubes, or cans.

III. Storage of Medication

Medication shall be kept in a secured appropriate storage area in the health office.

IV. Transportation of Medication to School

All medication shall be brought to school by the parent and kept in the health office. If this is not possible, the pharmacy-labeled container or original manufacturer's package must be sent to school in a sealed envelope with a note signed by the parent/guardian stating the number of tablets being sent to school. The nurse will verify this information with a phone call to the parent/guardian.

V. Request for Administration of Medication During School Hours Form

This form is available in the health office, on the school nurse web page under Pupil Services, or a sample is included in the student handbook. The form is not essential to use as long as all the requested information is included in a written note.

VI. Medication Administration

All medications shall be administered by the school nurse or self-administered by the student upon request. Only in an emergency shall a school employee other than the school nurse

administer medication to a student. A parent or legal guardian may come to school to administer medication to their child.

VII. Emergency Medications

Under emergency medical situations such as anaphylactic shock, the school physician has ordered certain medications, such as epinephrine to be administered. Please refer to the district website to view our school district's current standing medication orders, signed by our school physician. Parents should notify the school nurse if they have any questions or concerns regarding the school district's standing orders for medication. Health office information can be found on the district website under the section, District Services, then under Nursing Services.

The Pennsylvania Public School Code, Section 1414.2(g) allows parents/guardians to request an exemption to the administration of an epinephrine auto-injector for their student. In order to request this exemption, contact the school nurse to make an appointment to discuss this decision, review and sign the op-out form.

VIII. Self-administration of Inhalers

Students in the South Fayette Township School District will be allowed to carry and self-administer their metered dose inhaler (MDI) medication in school as needed for asthma and other respiratory conditions. The inhaler may be used to alleviate and/or prevent the onset of asthmatic symptoms. This procedure includes dosages required at school, on school-sponsored transportation, or at an activity, event, or program sponsored by or in which the pupil's school is participating.

To ensure your child's health and safety, you and your child's physician will need to complete a medication order and authorization form, and return it to the school nurse. This authorization shall provide the name of the drug, the dose, the times when the medication is to be taken, and the diagnosis or reason the medicine is needed. It shall also include any serious reaction that may occur in conjunction with use of the medication. In addition, this authorization relieves the school of responsibility for the benefits or consequences of the medication. It also acknowledges that the school bears no responsibility for ensuring that the medication is taken.

The nurse will review proper MDI administration technique with your child and evaluate that self-administration is safe and appropriate. You and your child must then sign the self-administration assessment and contact form.

All children in grades K-12 must notify the school nurse immediately following each use of an inhaler, and sign off such self-administration on the medication record.

The student will be held responsible to keep their inhaler in a safe place that is not accessible to other students. If any irresponsible behavior is observed in the use of the inhaler, such as sharing medication with another student, the inhaler will immediately be confiscated and parent notified of the loss of the privilege to self-administer.

It is highly recommended that you keep an additional inhaler in the health office should your child forget his/her inhaler.

OPEN HOUSE & CELEBRATION OF EXCELLENCE

Parents, families, and community members are cordially invited to join us in the fall for Open House/Curriculum Night. The curriculum for the upcoming school year will be discussed. In the spring we will host "Celebrating Excellence in Learning." This is a great opportunity to view student work and share our pride in student accomplishments.

PARENT ADVISORY COUNCIL/PARENT VOLUNTEERS

Parents/guardians are encouraged to take an active role in the educational experiences of their child. If you are not a parent volunteer, middle school is the perfect time to start. If you are, don't stop. Several opportunities are available for parent involvement. Some volunteering opportunities may include obtaining state-mandated clearances.

Parent Advisory Council (PAC) is an organization of middle school parents who meet once a month. This group is essential to the "life" of our middle school. For information concerning becoming involved, please contact the school office. Dates and times for meetings can be found on the District calendar.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences will be held at the end of the first nine-week period in November. At the middle school, we utilize a student led conferencing model in which the students are active participants during the conferences and their attendance is vital. Parents are encouraged to contact teachers to arrange conferences throughout the school year on an as needed basis. This can be accomplished by contacting the teacher directly or by calling the school office.

POWERSCHOOL PARENT PORTAL

Middle school parents have the opportunity to access their child's grades and other student information electronically via the PowerSchool parent portal. Parents are issued PowerSchool credentials as part of the initial enrollment process. If you have any questions about the parent portal or about PowerSchool in general, please contact the Network Administrator.

RESTROOM POLICY

The restrooms in the middle school are provided for the benefit of all students. They are to be used only for their intended purpose. To ensure appropriate restroom use, the following policy is in effect:

2. The restrooms will be monitored by the administration and teaching staff.
3. Keep your restrooms clean and orderly. Be respectful of others who use the restrooms. Remember that this is your school.
4. Please report to the office immediately any restroom damage or maintenance issues.
5. Failure to adhere to these guidelines will result in the restriction of lavatory privileges.

SCHOOL-ISSUED MATERIALS

Textbooks, calculators, laptops, musical instruments, etc. are issued to students for use during the school year. Students are responsible for returning the specific materials (often indicated by a number) issued to them. Students who have damaged materials or materials that are lost or stolen are responsible and must pay the replacement cost of the item.

SCHOOL STORE

There is a school store located in the middle school food court. Students may purchase school spirit items, South Fayette clothing, and various school supplies at the school store. Please do not permit students to bring large amounts of money to school for school store purchases. Parents are encouraged to visit the school store to make purchases requiring large amounts of money.

STUDENT ACTIVITY FUND

All money collected for fundraising projects must be submitted to the Activities Account which is maintained in the main office. No separate bank accounts are permitted.

STUDENT RECORDS

There are up to three separate student records files for each child in the middle school. The information on file in these locations is only shared on a “need-to-know” basis due to FERPA and HIPAA regulations. Medical records are housed with the school nurse in the building where the child attends school. The school nurse informs teachers of the student about any medical information only when necessary. Permanent records for each child are housed in the Student Center and contain grades, attendance information, PSSA scores, etc. Discipline records are also housed in the Student Center, but independent of permanent records. Finally, for students with IEPs, GIEPs, or 504 Service Plans, special education records are housed in the Pupil Personnel offices.

Students will not be called to the phone to receive messages. In the case of an emergency, office personnel will deliver messages to the students.

A healthy school environment is conducive to learning and good for the health of everyone at school. An educational program that promotes a healthy school environment will be incorporated into the students' instruction, when possible. The information provided will assist students in making decisions in matters of personal, family and community health and safety. The instruction, when incorporated, will be reflected in the following areas:

1. It will use active, participatory instructional strategies to engage all students.
2. It will address social and media influences on student behavior and help students identify healthy alternatives to specific high-risk behavior.
3. It will emphasize critical knowledge and skills that students need in order to obtain, understand and use basic health information and services in ways that enhance healthy living.
4. It will focus on high-risk behaviors as they relate to the health of students, both short-term and long-term, including those related to nutrition and physical behavior.
5. It will include accurate and up-to-date information that is developmentally appropriate for students.

Nutrition information will be disseminated throughout the District in a variety of ways including the following:

2. Parents are encouraged to send healthy meals, which do not include soda/pop, to school with their child/children when students do not purchase District lunches.
3. All groups associated with the school district will be encouraged to promote wellness that leads to good choices being made relative to nutrition, physical activity, and overall health.

ACADEMICS

GRADING SYSTEM

The evaluation of pupil progress and achievement is the responsibility of each member of the professional staff of South Fayette Middle School. Grades will reflect a student's progress as to the quality of performance and the educational growth of the student.

Grading will be by percentage points and based upon points earned for course requirements such as tests, projects, reports and class participation. Grades will be reported as **percentages**.

Specific requirements established by each individual teacher for every course will be distributed to students, discussed with each class, posted in classrooms, and will be on file in the main office for your review.

The grading scale is as follows:

A+	—	100% - 98%
A	—	97% - 93%
A-	—	92% - 90%
B+	—	89% - 88%
B	—	87% - 83%
B-	—	82% - 80%
C+	—	79% - 78%
C	—	77% - 73%
C-	—	72% - 70%
D	—	69% - 65%
F	—	64% - 0%
I	—	Incomplete*

*Indicates that the student has not completed course requirements. Course work must be completed within 10 school days or the student will receive an "F".

6th grade students enrolled in Pre-Algebra must achieve an 80% in order to advance to Algebra I in grade 7. All 7th grade Algebra I students must achieve 80% in order to advance to Geometry. All Algebra I students in grade 8 must achieve a 75% in order to advance to Geometry in 9th grade. Those below 75% will repeat Algebra in 9th grade.

HONOR ROLL

Honor Roll will be determined by grades earned during each of the four nine week periods.

Highest Honor — Students who achieve a 4.0000 Grade Point Average and above will be placed on the Highest Honor Roll.

High Honor — Students who achieve a 3.7500 Grade Point Average and above will be placed on the High Honor Roll.

Honor — Students who achieve a 3.2500 Grade Point Average and above will be placed on the Honor Roll.

DETERMINATION OF QUALITY POINT AVERAGE (Q.P.A.)

To obtain the number of quality points for each course taken, multiply the credit of the course by the appropriate letter grade value (for each nine week period, the nine week letter grade is used; for the end of the year, the final grade is used):

A+	—	4.25	Quality Points
A	—	4.00	Quality Points
A-	—	3.75	Quality Points
B+	—	3.25	Quality Points
B	—	3.00	Quality Points
B-	—	2.75	Quality Points
C+	—	2.25	Quality Points
C	—	2.00	Quality Points
C-	—	1.75	Quality Points
D	—	1.00	Quality Point
F	—	0.00	Quality Points

Total the Quality Points for all courses taken and total the number of credits for all courses taken.

Divide the Total Quality Points by the Total Number of Credits to obtain the Q.P.A.

Quality Point Averages for honor roll purposes are determined by the converted letter grades earned for each grading period.

DETERMINATION OF FINAL GRADES

Final grades are determined by averaging the percentages earned in each of the grading periods.

SUMMER SCHOOL

The following are specific requirements for promotion by subject area:

- A student who fails four (4) major subjects will not be promoted to the next grade level.
- Any student who receives a failing grade in Language Arts is required to successfully complete summer school in Language Arts in order to be promoted to the next grade level.
- A student who fails **both** Science and Social Studies must successfully complete summer school in one (1) of the two subjects in order to be promoted to the next grade level.

- Any student who receives a failing grade in Mathematics cannot be promoted to the next, sequential math course without successfully completing the course in which they are currently enrolled. All sixth grade students enrolled in the Mathematical Functions course must successfully complete this course in order to be promoted.

South Fayette Township School District may conduct summer school sessions. The cost of the sessions and transportation are the responsibility of the student's family. If summer school is not held at South Fayette, the guidance department will provide parents with a list of area locations where classes may be taken.

MAKE-UP WORK

The following guidelines have been established for make-up work in the middle school.

1. If a student is absent from class for one (1) day, he/she upon return to school is required to submit all work due that was assigned prior to the day of absence and take test(s) assigned prior to the day of absence provided no new material on the test was taught that day.
2. If a student is absent from class for more than one day, the student has make-up days equivalent to the number of days absent from the day he/she returns to school to make-up all work (tests, quizzes, assignments, etc.). It is the **responsibility of the student** to meet with the teacher before or after class to make proper arrangements and secure the information needed regarding the tests, etc., that need to be completed.
3. In extenuating circumstances, when a student has been absent due to illness, accident, etc. for more than seven consecutive days, provisions may be made to extend the timeline for make-up work.
4. Students who fail to fulfill their responsibilities for make-up work will receive a "0" for the work, tests, etc. not completed.

Students who are absent from class for **excused** reasons, including approved school activities, must be given the opportunity to make up all work and will not be penalized academically for not being present in class, provided they complete all make-up work according to the above guidelines.

Students who participate in an approved school activity or School Sponsored Educational Trip must check with their teachers to receive information concerning classroom work and to schedule any missed assessments previous to participating in the activity. Any extenuating or special circumstances (i.e. later than scheduled return from the trip) should be discussed with the classroom teacher upon returning to school.

Approved school activities include those listed on the daily bulletin, field trips, school programs, athletic events, etc. Visits to the guidance office, other teacher's areas, writing lab, etc., are **not** legitimate reasons to be absent from a scheduled class unless previously approved by the scheduled classroom teacher.

EXTRA CREDIT

Each classroom teacher is expected to provide students with a clear understanding of the assessment practices related to their individual course. Grades assigned should reflect the achievement based upon the specific criteria expected in the course and outlined by the teacher. **Individual extra credit assignments will not be given by teachers so that a student may improve his/her letter grade.** Teachers may at their discretion assign projects, presentations, problems, etc. that result in bonuses. In this case, however, all students share equal opportunities to participate.

Note: The purpose of "extra credit" is **not** to allow students to gain enough points to significantly alter a final or quarter grade. Extra credit allows a teacher to make an improved judgment of a student's academic capability.

RETURN OF TESTS

The assessment practice of testing provides the student and teacher information regarding the level of achievement. Testing provides the feedback to the teacher that is needed to revise teaching style, to re-teach content, and to develop guidelines for pacing instruction. Testing enables students to review individual areas of proficiency and deficiency and adjust their future efforts accordingly.

All tests will be returned to and discussed with the students within one week of the test being administered. It is the sole responsibility of the student to share the test results with the parent and the student's responsibility alone to seek assistance in the event that he/she believes that an assigned grade was inaccurate. Assessments which involve lengthy projects and essays will also be returned in a timely fashion. Common assessments, that are not available to be sent home, will be available for review by parents/guardians within the school building.

INTERIM PROGRESS REPORTS

Parents/Guardians will be notified via email of Interim Progress Report day in which grades reflecting the midpoint of each nine weeks can be viewed online. Parents can also access current, daily performance information via the PowerSchool parent portal.

No failing grades ("Fs") should be given unless:

1. The parent has been contacted by phone or email. This means an actual conversation has taken place or an email response indicating acknowledgement of receipt of email (in these cases documentation must be on file in the office), **OR**
2. An individual letter was sent by the teacher in a timely fashion and is on file in the main and guidance offices.

HOMEWORK POLICY

Each student has the responsibility to develop good work and study habits. In preparing assignments, the student should:

1. Make sure he/she understands the assignment—its purpose, when it is due, and how it should be done.
2. Ask for further explanation if original directions are not completely understood.
3. Arrange to make up missed assignments as required by the teacher.
4. Budget time for homework. Anticipate 60-120 minutes of cumulative homework daily. When study time is provided during the school day the student should take advantage of it. Long-term assignments should be planned so they do not have to be done all at once.
5. Analyze study habits and take advantage of available study helps.
6. Write assigned homework in a neat and legible manner in your agenda.

EXTRACURRICULAR ELIGIBILITY

South Fayette Township School District encourages all students to participate in extracurricular activities. The only activities in which ineligible students may participate are those which are written into and considered part of the regular course curriculum. It is the responsibility of each individual coach or sponsor to prohibit students who are ineligible from participating (this includes practice). Each coach or sponsor will be provided with a list of all students who are ineligible. All students will be treated equitably. Students who are suspended from school may not participate (play or practice) in any extracurricular activities. The following classifications of Eligibility are in effect at South Fayette Middle School:

Weekly Eligibility (Grades of Students who participate in athletics and/or extracurricular activities are reviewed weekly)

1. Teachers will be provided weekly with a list of students who are registered as a participant in each extracurricular activity. By Friday morning of each week, teachers will be required to indicate any students who are in danger of failing ("D" average) or failing their course for the current 9-week period. Students must receive one warning during each grading period prior to being designated as failing a course.
2. The lists will be compiled by the Athletic Director. Any student who is failing two or more courses will be considered ineligible for the following week (Monday through Saturday). The student will be notified by the coach or sponsor. That student is not permitted to practice or participate during that time.
3. As indicated by the ineligibility lists, students who are carrying a "D" average in one or more subjects for two successive weeks are encouraged to seek additional assistance in the applicable subject areas. This student is not ineligible; however, the district is making every attempt to promote support for the student who is encountering academic difficulty. If deemed necessary, the coach may waive this section at his/her discretion.

Nine Week Academic Eligibility (Grades of all students in Grades 6-8 are reviewed)

At the end of each nine week period, (at the end of the year, final average will be used) report cards for all students will be reviewed.

To be eligible for attendance at school functions and/or participation in extracurricular events, a student must pursue a curriculum approved by the principal and must not be failing two or more courses. Evaluation or subject credits shall conform with the standards established by the Pennsylvania Department of Education. A student ineligible for this reason will be denied participation in all extracurricular activities, school events, and non-curricular events for a period of 20 school days. Parents/guardians will be notified by mail of this ineligibility.

Year to Year Eligibility

Students are ineligible to participate in interscholastic athletics and extracurricular activities if they fail two or more courses that are worth one credit and meet all year. Students may participate if they complete the necessary remedial coursework over the summer.

Note: Students' eligibility will be reviewed after 20 school days. Students may be declared eligible after this period.

Attendance Eligibility (Attendance reports for all students, Grades 6-8, are reviewed)

A student who is absent from school during a semester for a total of twenty or more school days shall not be eligible for attendance at school functions and/or participation in extracurricular activities until he/she has been in attendance for a total of sixty days following his/her twentieth day of absence. The District Attendance Committee may waive application of this rule in the case of a consecutive absence of five or more school days due to confining injury/illness, death in the immediate family, court subpoena, quarantine, or required attendance of a religious activity/function. Parents/guardians of students in this category will be notified in writing of this ineligibility.

SCHEDULING

Scheduling for the following school year will be done each spring. All middle school students will receive a copy of the Program of Studies for the South Fayette Middle School. Discussions of this curriculum guide will be conducted for all classes by the Guidance Counselor and Principal. The need for placement in remedial or advanced courses for students will be determined based upon data and individual student needs.

***CODE
OF
CONDUCT***

STUDENT CONDUCT INFORMATION

South Fayette Township School District believes that it is essential for our schools to provide a safe atmosphere that is conducive to learning. Students must be able to work together and to accept and share responsibilities. Although discipline begins in the home, the school provides reinforcement and continued opportunity for students to learn self-discipline and behaviors appropriate for becoming responsible citizens and living productive lives in our society.

Discipline is more than making a student do what is right; it should encourage a student to choose what is right. Maintaining appropriate standards of discipline in the South Fayette Township School District is essential to the establishment of a proper educational environment. The Discipline Code of Conduct will be interpreted by the principals and their designees in a manner which they deem just, given the circumstances of the individual case. **Additionally, students must understand that administrators shall have the authority to enforce other reasonable disciplinary actions which they find warranted by situations not covered specifically (including limiting student participation/attendance in extracurricular school-based events/special assemblies/programs aimed at rewarding positive student effort and performance).**

Discipline problems occur for a variety of reasons and in varying degrees of frequency and severity. The general sequence presented here is not intended to be rigidly followed. The actual sequence of disciplinary action may vary depending on the individual case and the process may be initiated at any step deemed appropriate. In general, these steps are followed:

1. Teacher and student discuss problem
1. Teacher and parent discuss problem
1. Teacher, counselor, parent/guardian and/or student meet to discuss problem
1. Principal, parent/guardian, student and other school personnel are involved
1. School officials, parent/guardian, student and social service agencies are involved
1. An administrative review occurs with the principal
1. A superintendent's review occurs with the administrative staff and the superintendent
1. School Board hearing

DISCIPLINARY CONSEQUENCES

After School Detention (Assigned by an Administrator) 3:00 P.M.-4:30 P.M.

A student may be assigned by an Administrator to Wednesday detention from 3:00 p.m.-4:30 p.m. Transportation is provided by the school district. Parents and students will have a minimum of one-day advance notice of the detention. Parents will be called and an attempt to personally talk to the parent will be made; however, if there is no other choice, a message may be left on a recorder. A teacher will be assigned to supervise the detention and students must abide by all rules of the detention program. Students may be assigned written work. Students who do not arrive on time or fail to report for Wednesday detention will be assigned Saturday detention.

Saturday Detention (Assigned by an Administrator) 9:00 A.M.-NOON

A student may be assigned Saturday detention by an administrator or his/her designee. Transportation is the responsibility of the student and/or parent/guardian. Parents and students will have a minimum of one-day notice of the detention. Parents will be called and written documentation will be made explaining the reason(s) for the detention. A teacher will be assigned to supervise and students must abide by all rules of the detention program. Students must be on time for detention. There is **no** admission after 9:00 a.m.

In the event of inclement weather, please call the main school number for notice of cancellation of Saturday detention. A decision will be made on Saturday of inclement weather prior to 8:15 am.

Out-of-School Suspension

Out-of-school suspension is the exclusion of a student from school and all school related activities and functions for a period of 1 to 10 days. When the suspension exceeds 3 school days, the student and parent shall be given the opportunity for an informal hearing. The student shall have the opportunity to respond to the accusation. A student who does not modify his/her behavior following an out-of-school suspension may be recommended to the board for expulsion.

Note: Any student who is suspended from school may not attend or participate in any school sponsored activity. Students who are suspended out of school are not permitted on school grounds for the duration of the suspension.

Reconciliation Through Restorative Practices

RECONCILIATION

Invariably, students will break rules as stated in the diversity and equity, unlawful harassment, and bullying/cyberbullying policies in the Handbook. When this happens, students will need to re-enter the community for the community to heal. Reconciliation is a collaborative and interpersonal process that may include respectful dialogue as well as active listening about the event or occurrence in order to begin to reestablish healthy interactions and relationships. The District will work towards reconciliation through the use of restorative/transformational justice practices. These practices are defined as a way to hold individuals responsible for their actions, repair harm and hurt to victims, and provide resources and support to individuals who caused harm by reintegrating them back into the community. In other words, justice, according to restorative justice, is not an eye for an eye.

Restorative justice centers mutual respect, dialogue, and a commitment to building and maintaining relationships as opposed to focusing solely on the misbehavior (Macready, 2009).

Restorative justice is constituted by a set of questions, which are always more transformative than definitive answers:

- a. Who has been hurt and what are their needs?
- b. Whose obligation is it to meet those needs (and what are their needs?)
- c. Who else has been affected by this event?
- d. What is a participatory process that engages all those impacted to decide what needs to be done?

Consequences and supports include but are not limited to: forms of mediation (if agreed upon by all parties), teacher-student-parent meetings, interactions with a school counselor/social worker, communication with teachers as needed, referrals to the SAP teams and restorative practices (reflection/improvement statements, courses on topics related to the offense(s) or other restorative practices). Restorative justice practices follow seven principles:

1. Meeting student needs
2. Providing accountability and support
3. Making things right
4. Viewing conflict as a learning opportunity
5. Building healthy learning communities
6. Restoring relationships
7. Addressing power imbalances.

These practices are consistent with the Association for Middle-Level Education and with Teaching for Tolerance's (www.tolerance.org) publication, *[A Guide for Administrators, Counselors, and Teachers Responding to Hate and Bias at School](#)*.

For an example on how to Build a More Forgiving Community, see the website below:
https://greatergood.berkeley.edu/article/item/how_to_build_a_more_forgiving_community

Forgiveness is a complex process that involves individuals and the larger community and is positioned within past and present harms. The District will use restorative/transformational justice practices during the reconciliation process to work towards forgiveness. Forgiveness is an individual and internal process where the party/parties seek greater understanding of the event, occurrence or situation. Forgiveness is also a community process, that requires our highest aspirations and ideals to be reflected in our actions when harm is caused. As a learning community, we will create opportunities for students to increase their cultural and global competencies by learning how to make conscious, deliberate decisions to release feelings of resentment or vengeance toward a person or group who has harmed them. The District sees this as instrumental in growing and supporting collaborative and confident community members. (See page 11, South Fayette School District 2019-2022 Strategic Plan).

PUNITIVE VS. RESTORATIVE DISCIPLINE

PUNITIVE	RESTORATIVE
“Misbehavior” defined as breaking school rules or letting school down.	“Misbehavior” defined as harm (emotional/mental/physical) done to one person/group by another.
Focus is on what happened and establishing blame or guilt.	Focus on problem-solving by expressing feelings and needs and exploring how to address problems in the future.
Adversarial relationship and process. Includes an authority figure with power to decide on penalty, in conflict with wrongdoer.	Dialogue and negotiation with everyone involved in communication and cooperation with each other.
Imposition of pain or unpleasantness to punish and deter/prevent.	Restitution as a means of restoring both parties, the goal being reconciliation and acknowledging responsibility for choices.
Attention to rules and adherence to due process.	Attention to relationships and achievement of a mutually desired outcome.
Conflict/wrongdoing represented as impersonal and abstract; individual versus school.	Conflict/wrongdoing recognized as interpersonal conflicts with opportunity for learning.
One social injury compounded by another.	Focus on repair of social injury/damage.
School community as spectators, represented by member of staff dealing with situation; those directly affected uninvolved and powerless.	School community involved in facilitating restoration; those affected taken into consideration; empowerment.
Accountability defined in terms of receiving punishment.	Accountability defined as understanding impact of actions, taking responsibility for choices, and suggesting ways to repair harm.
What rule was broken?	Who was harmed?
Who broke it?	What are their needs?
How should they be punished?	Who will be held accountable for making things right?
Lecturing Students	Student-Student Mediations
Self-Directed Detentions	Staff-Student Mediations
In School Suspension	Peace Circles
Out of School Suspension	Reinstatement Conversations
Expulsion	Community Building Circles

*It should be noted that punitive and restorative discipline can, and will be, used in tandem. However, each discipline infraction will involve a Restorative Justice practice, but not necessarily a

Punitive Discipline practice. For example, when a student is returning from suspension they will, at a minimum, they should also engage in a restorative reinstatement conversation.

DISCIPLINARY STRUCTURE

LEVEL 1

Level I misconduct involves minor misbehavior on the part of the student which impedes orderly classroom procedure, or interferes with the orderly operation of the school and/or school sponsored activities.

These behaviors are to be handled by the individual staff member; however, such misbehavior may be indicative of a problem that should be referred to appropriate support staff.

An accurate record of the offense, intervention, and disciplinary action must be maintained by the staff member.

Reoccurrence of the misbehavior may require a referral to the administration for further intervention and disciplinary action.

Examples of Level I Offenses:

- Classroom Tardiness
- Disrespectful language or gesture (minor)
- Disruptive Behavior (minor)
- Dress Code Violation
- Non-defiant failure to carry out directions
- Cheating*
- Insubordination related to classroom expectations
- Consumption of food or beverages outside the cafeteria

***Note:** Student should receive a "0" grade, parent should be notified, and administration should be notified in writing.

Listed below are options available to staff members for Level I Discipline:

Verbal Reprimand

Student Conference

Special Assignment

Behavioral Contract

Teacher-assigned detention

Conference with student/teacher/counselor

Conference with parent/student/teacher

Electronic devices:

- Confiscation of device by staff member and submission to office

10. Copying or using another person's electronically stored file to use as his/her own.
11. Entering another person's computer file.
12. Using personal electronic device to photograph any portion of an assessment or to share assessment answers.

Please Note: At the discretion of each teacher, student work may be required to be submitted through an anti-plagiarism software program known as SafeAssignment. This program will check student papers against internet, paper mills, academic and professional content, as well as papers previously submitted by South Fayette Township District students.

All student work will be recorded in an institutional database on the Blackboard Server for future scanning. If you do not wish to have your student's work archived, please contact your building

principal. Questions regarding this tool should be directed to the Director of Technology or to the building principals.

DISCIPLINARY ACTION FOR CHEATING

At the discretion of the classroom teacher and the administration, the following consequences may be assigned:

1. **Discuss all disciplinary referrals with student.**

The principal shall immediately forward any report of alleged unlawful harassment to the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the

alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law enforcement officials should be notified. If the Compliance Officer determines that more than fourteen (14) days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported in accordance with Board policy.

The investigation may consist of personal interviews with the complainant, the alleged harasser, and any others who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. The district shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the district shall consider, at a minimum:

6. The identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim).
7. The location of the alleged harassment.
8. The ages of the parties.
9. The context in which the alleged incidents occurred.

Whether a particular action or incident constitutes a violation of this policy requires a case-by-case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.

The Compliance Officer shall issue a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, then the report shall be sent to the Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

Step 3 – Action By Superintendent

Within five (5) calendar days of receiving the Compliance Officer's report, the Superintendent or designee shall issue a decision regarding whether this policy was violated. This decision must be provided in writing to the complainant and the alleged perpetrator. If the Superintendent or designee determines that unlawful harassment occurred, the district shall take prompt, corrective action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline, up to and including expulsion or discharge.

Whether or not the Superintendent or designee determines that unlawful harassment occurred, the Superintendent or designee may determine that school-wide or division-wide training be conducted or that the complainant receive counseling.

School Board Policy- DIVERSITY AND EQUITY

Introduction:

Hate will never be welcome or tolerated in the South Fayette Township School District (SFTSD). Every student and every educator and staff member — regardless of their race, ethnicity, gender identity, sexual orientation, citizenship status, mental and physical ability status, and/or religion — is a valued member of our SFTSD community. The District recognizes that we must remain steadfast in our commitment to foster an environment where all members of the community feel welcome, respected and safe in all of our schools, buildings and facilities. In order to nurture a stronger community, the District is also committed to providing an environment and practices for reconciliation that not only include reflection and restoration but also creates the conditions for forgiveness.

Preamble:

The South Fayette Township School District believes that equity, diversity and inclusion are integral to the District's vision, mission and goals. Addressing the needs of all learners requires recognition of the inherent value of diversity and acknowledgment that educational excellence requires a commitment to equity in the opportunities provided to students and their resulting experiences.

In order to eradicate institutional bias of any kind, including implicit or unintentional biases and prejudices that negatively affect a positive learning community, and to eliminate disparities in educational experiences for students from underserved and underrepresented populations, the District shall proactively endeavor to identify class and cultural biases as well as practices, policies, and institutional barriers that negatively influence student learning, perpetuate opportunity gaps, and impede equal access to all students for full participation in the SFTSD community.

Purpose

The purpose of this policy is to support an equitable learning environment that honors and respects the diversity of the students attending our schools and living in our community. Behaviors that create an unsafe, intimidating or hostile learning environment for students will not be tolerated and allegations of such conduct will be investigated.

Diversity and Equity

The District believes that intimidation of any kind derails our efforts to educate students and enable them to thrive locally and in a global society. Students who commit the offense of intimidation respect to the actual or perceived race, color, religion, national origin, ancestry, mental or physical disability, sexual orientation, gender or gender identity of another individual, whether such conduct occurs on school grounds or during school-sponsored trips, events or activities, will be disciplined and mandated to reconcile through restorative practices.

The following consequences relate to intimidation as outlined above:
