

2021-2022 South Fayette Elementary School - Kindergarten Registration Directions

Our kindergarten registration process will be online for the 2021-2022 kindergarten class. The new process is outlined below.

Step 1: Complete the 2021-2022 Kindergarten Registration Signup Google Form for parent and student information. This will let us know that you intend to enroll your child in kindergarten and gives us your contact information. Even if you are not completely sure that you are sending your child to kindergarten, please complete this form so you are on our radar. You can access this Google Form at <https://forms.gle/rzkUKyLTAQx6axKz8>
