Dear Parents & Guardians,

I am reaching out to our school community as we continue instruction with our online/digital learning program tomorrow, Monday, March 30. Please click on the link below to see my message.

A couple things to note as we make the shift from a face-to-face/brick-and-mortar program to an online one:

- Monday, March 30, 8:00 a.m., the principals in each building will send an email to parents outlining what the online program will look like in their respective buildings.
- Monday, March 30, 9:00 a.m., teachers will begin to post assignments and reach out to students (Grades 3-12).
- Elementary (K-2) teachers will connect directly to parents through email to share instructions
- Curbside food service for qualifying free/reduced families will continue throughout the school closure
- For those who do not have Internet access in the home, arrangements have been made to help provide access or to continue instruction in a non-digital format. Please call the following number and follow the voicemail instructions if you still do not have Internet access in the home and have not reached out to us: [412-221-4542](tel:412-221-4542), Ext. 862.
- Go to [www.southfayette.org](http://www.southfayette.org) to see all communications and other information concerning the COVID-19 crisis.
- Please review the [SFSD Parent FAQ Sheet](#) posted on the COVID-19 resource section of the South Fayette School District website.

We will continue to keep the community updated as the COVID-19 situation evolves. We appreciate your support and flexibility. I am proud of our community, who always steps up in times of crisis.

Be safe and well.

Warmest regards,

Dr. Ken Lockette, Superintendent of Schools
