The “Electronics, Toys and Collectables” section of the Parent-Student Handbook was updated at the February 24, 2015 school board meeting. The updated version is identified below.

Electronics, Toys and Collectables

First grade and second grade students will be permitted to use their district issued iPad during the school day. Personal electronic devices are permitted, but will be used at the teacher’s discretion in the classroom. Upon request of any staff member or teacher, students must immediately show their device screen without turning the device over, off, locking it, or activating a screen saver. Students are **discouraged** from bringing their own electronics, toys, games, trading cards, action figures, collectables, etc. to school. We are **not** responsible for students’ personal devices that are lost, broken, or stolen. The district will only repair or replace district issued devices according to the signed parent contract. Students are not permitted to trade items nor are they permitted to exchange items for cash.

Students(s’):

- Must adhere to the Acceptable Use of the Internet and Bullying/Cyberbullying policies whether accessing the Internet through the school’s Wi-Fi or a cellular provider.
- Taking pictures, video, or audio of individuals for any reason without permission of a teacher or staff member is prohibited.
- Actions considered inappropriate offline are considered inappropriate online.
- Are prohibited from taking pictures of tests, texting other students their answers, or engaging in conduct that compromises academic integrity in any way.
- Use of devices is prohibited in bathrooms.
- Devices are prohibited during drills that could compromise safety.
