2. All leases and permits are subject to cancellation or postponement at anytime upon a determination by the School District that facilities are needed for school use due to an unscheduled or rescheduled event, or where it is evident that privileges and/or properties are being abused.

3. Only items and facilities requested on the application and entered on the permit will be made available. Building custodians are not authorized to furnish other items or facilities. Only school authorized personnel are permitted to use the light panels, projection booth, public address equipment, movie projectors, stage apparatus, and other technical equipment.

4. Smoking/tobacco is not permitted at any time on school grounds. By Policy, South Fayette School District is a tobacco-free campus. Use of drugs and alcohol is prohibited.

5. Spectators and participants will not be permitted in rooms or parts of a building not included in the agreement.

6. The group or organization obtaining a permit is liable to the School District for property damage resulting from careless, negligent, or abusive use of the building, property or equipment, shall make appropriate financial adjustment if such damage should occur, and waives all claims against the School District and its agents for damages or injuries occurring to property of the applicant group while on school premises.
