SUSPENSION OF BUSINESS TO HEAR FROM RESIDENTS AND/OR TAXPAYERS

Natalie Kugler, 127 Meadow Drive, things were going ok, District was number one, house values went up, taxes went up, but ok; then everyone is going to conferences, the District dropped from number one to six in the Pittsburgh Business Time and if we fall into double digits, my property value will go down and who will be stuck paying for the construction of a new school. It’s irritating and concerning that we aren’t in the top five. The District should wait to see this year’s ranking before moving on with construction. Not sure why anybody is going to a conference; when I went to one I had to provide feedback; I understand we need technology things, but I don’t know what other things we need. We need to hire the best person that comes before us, we don’t need to look for colors of the rainbow.
